AMA CHARTER CLUB #777

Editor : Bill Rago: 847-489-8871

Thanks Jim & Joan Doubek for a Great Picnic!

Great food and fun for all.
Thanks Jack Bernard for supplying drinks!
Special thanks to Sam Brown for
Cleaning up **EVERYTHING!!!**

Meeting minutes Aug 2, 2012

The Monthly meeting of the LCRCC was held in the Zion Public Library. Dick Hultz called the meeting to order at 7:17 with 18 members present and 1 guest.

Secretary Report:

The previous months minutes were accepted as printed in the "Flypaper"

Treasurer Report:

The treasurer's report was not presented due to Leonard's absence

Field Officer Report:

Our new field Director, Jack Bernard, reported that the Field is in great shape and ready for our annual Picnic. He also informed us that he placed Patio blocks by the "Porta-potty".

He is also looking for help to do the trimming/mowing at the field. If you can help out it would require a minimal effort every 3-4 weeks. Contact Jack for details.

Safety Report:

There are new signs in place to inform ALL flyers of our western flying field limits. Please observe these restrictions to avoid the problems with our neighbors...

Events Director:

Bill Rago reported that the weather looks good and the supplies are ready for our Picnic. He also told us, that due to another commitment, he will not be attending. Jim and Joan Dubek will again be cooking for the Picnic.

Old Business:

Dick started out by commenting on how great the July event was and the great turnout even though it was very windy, and Thanked Sam Brown for cooking and helping with the refreshments.

We have had no more complaints from the neighbors and hopefully (with the addition of new signage at the field) we will not have any more infringements on the field boundaries.

Gary Allen reported that he had not been able to contact Jim Stanzak regarding the Waukegan

Airshow. So it was decided, that due to the short time frame between the next meeting date and the Show, we would not participate in the event.

New Business:

Picnic; There will be a Women's raffle at the Picnic. Tickets will be given to all women who are present for cash drawing of \$25, \$15, & \$10.

The general raffle has over \$750 worth of prizes that Johnnie Russell has received from Greenfield Hobbies in Milwaukee. (They also donated a few items over and above our club purchases) Thanks Greenfield!!!!

The raffle will begin around noon after the food.

The Jet Pad:

Much discussion has been held about our members (and with our members) about the increasing number of pilots obtaining and flying "Turbine" powered aircraft.

The main concern is the impact to our Field. Thoughts were to build a "jet start-up" pad. After some lengthy discussions, and input from everyone, it was decided that a pad was really not necessary.

A recommendation by Jim Spice was that addition to our Field rules/regulations be added and state; "Anyone flying a Jet (Turbine powered) aircraft must be required to provide adequate field/grass protection to start your aircraft"

After a Motion by Russ Scott, and second by Keith Bradley this was passed by unanimous voice vote. And will be added to our field rules/regs.

Show and Tell:

Johnnie Russell Brought a Wing that is offered for the very popular jet model members are flying that features and upgrade in strength and finish. Jim Spice brought a Cub (ARF) kit for sale, belonging to a friend. It is the "Great Planes" brand, IMAA legal.... \$75.00. Contact him if interested.

On a motion, second, and voice vote, the meeting was adjourned at 7:58pm.
