August 5th is the LCRCC Picnic

**Many thanks to Sam Brown &
Jack Bernard for food & drinks!**

**A great turnout
for Warbird & Heli
Day July 8th.**

Meeting minutes July 5th, 2012

The Monthly meeting of the LCRCC was held in the Zion Public Library.

Dick Hultz called the meeting to order at 7:17 with 18 members present, Jim and Joan Doubek attended the meeting... welcome!

Secretary Report:

The previous month's minutes were accepted as printed in the "Flypaper."

Treasurers Report:

The treasurer's report was presented by Leonard Martin and accepted as read.

Field Officer Report:

Bill Lewis reported that the field was in good shape but very dry. A new shelving unit was installed in the shed. Bill announced he is resigning his duties as field officer. Many thanks to Bill for his magnificent work over the last 5+ years! In the meantime Jack Bernard will fill in as field officer; Sam Brown also offered to help.

Safety Report:

Johnnie Russell reported there was one complaint emailed to Dick Hultz from a nearby resident complaining that aircraft had been flying over their property. Dick emailed an apology and supplied his personal phone number. Please heed to all boundary rules listed on the field map located behind the pit area. No aircraft are allowed beyond those boundaries described on the posted map.

Events Director:

Bill Rago started off by Thanking Jay Imroth and Jack Bernard for the fine job cooking food and supplying drinks and ice at the most enjoyable June funfly.

Due to the large turnout at this year's events the food quantities have increased; any future cooks please contact Bill for the revised food

list. August 5th is the LCRCC annual picnic hosted by Jim & Joan Doubek! This year the grand total for prizes is \$750.00! This promises to be a great time for all... All ladies attending the picnic will receive a free ticket good for one of three cash prizes!

Great food thanks to Jim and Joan, along with a wealth of RC related prizes supplied by John Russell. Thanks John, for spearheading this annual event!

Old Business:

Dick once again thanked Jay Imroth and his wife for the great food at the June event, a special thanks to Jack Bernard for drinks and ice.

New Business:

Sam Brown is the host for the July event along with Jack Bernard supplying drinks and ice. Dick announced Forest Preserve Officials approved storage of trailers containing Radio Control equipment overnight before scheduled funfly events. Dick stressed this is at the owners' risk and only the day before scheduled events. Dick once again stressed the importance of flying within posted boundaries and making aircraft as quiet as possible.

Show and Tell:

Johnnie Russell made us aware of why some of the less expensive almost ready to fly models are so low priced. He had a Nitro Models Falcon 120 wing with covering removed finding not only debris under the covering, but several gaps and missed glue joints as well. Contact John for details.

On a motion to close and a second Dick Hultz ended the meeting at 7:55pm
