AMA CHARTER CLUB #777

Editor: Bill Rago: 847-489-8871

July 8th is Helicopter & Warbird Day

**Many thanks to Jay Imroth &
Jack Bernard for food & drinks!**

A great day and turnout!

For the second time all food was eaten!

Meeting minutes June 7th, 2012

The Monthly meeting of the LCRCC was held in the Zion Public Library.

Dick Hultz called the meeting to order at 7:18 with 17 members present and no guests.

Secretary report:

The previous months minutes were accepted as printed in the "Flypaper"

Treasurers Report:

The treasurer's report was presented by Dick Hults, due to Leonards absence, and accepted as read.

Field officer report:

Bill Lewis reported that the field was in good shape but very dry. He also said both mowers were in good working order.

Safety Report:

Johnnie Russell reported that he has had no reported incidents...

Events Director:

Bill Rago Started off by Thanking jack Bernard (and helper Jim) for his cooking efforts at our last event..

And that all was set for this Month's "Cub/ Electric" day event... Jay Imroth will be cooking.

Old Business:

Dick reported that the Great Lakes flight demonstration has been cancelled. There were too many problems with logistics to get it all arranged.. We (the Club) did send them an Invite to possibly bus a group of Sailors to our field for a demo.

The Scout event went off last Saturday despite the terribly high winds. However, we were not

able to have the trainers fly with the buddy boxes. Russ Scott and John Alexander did put on a great show with their planes for them. There was also a small demonstration in the shed showing how the mechanics/flight surfaces and inner workings of an R/C airplane works.

New Business:

We have had unwanted tenants in our tractor shed over the winter (Mice) and they managed to eat through 3 of our umbrellas.. Our dauntless staff was able to combine some of the old canvas from last year's broken units with new frames and 2 out of three of the umbrellas were able to be saved. (we still have some spares left too).

Combined with Cub/Electric Day will be a swap meet.

Preliminary discussion was had by the club regarding the increasing popularity of Turbine jets at our field. Issues such as starting stations and additional field protection, was brought up. John Russell brought in a DX5E Transmitter to replace our aging trainer box at the field... He was able to purchase it for the club @ Greenfield Hobbies for \$50.00.

Show and Tell

Johnnie Russell Brought a pattern style electric airplane that he has for sale.

On a motion, second, and voice vote, the meeting was adjourned at 7:43pm.

Jim Spice

Recording secretary
