AMA CHARTER CLUB #777

Editor: Bill Rago: 847-489-8871

A good turnout for our April Season Opener!

Meeting minutes April 4, 2013

The Monthly meeting of the LCRC was held in the Zion Public Library.

Dick Hultz called the meeting to order at 7:16 with 12 members present and 2 guests.

Secretary's Report:

The previous months minutes were accepted as printed in the "Flypaper"

Treasurer's Report:

The treasurer's report was presented by Leonard Martin, and accepted as read.

Field Officer's Report:

Jack reported that the Tractor has been serviced and that the field has been rolled. Picnic tables are out and ready for "Opening Day"

Also, we have new signs placed at the Parking lot entrance, that were made up by the Forrest Preserve, indicating that your Permit is required to be on the frequency board before you can fly.

Safety Report:

Dick introduced Chuck Smith as our new Club V.P. and safety officer. He (Chuck) had no report

Events Director:

Bill Rago informed the group that everything is set up for the season opener (April 14th). There will be Coffee and Doughnuts available. 9 a.m.

Old Business:

There was no reply from the Scout leader that had contacted us about a "Training Day" for his troop. So, nothing is set up and the issue has been dropped. Dick commented on the discussion that the Club had last month about our History. He has received no information or replies from anyone that may have articles or history of the Club's founding. This year marks the 40th anniversary and it would be great to put together some kind of "Album" depicting how, when, where, and who actually started the Lake County Radio Control Club. So, again Dick has requested that anyone with information, or that wants to take over putting together this info, contact him.

Also, while on the subject of the 40th, we are looking for ideas on how to celebrate this milestone? Bring your ideas to the next meeting or contact a Board member...

New Business:

The "Porta Potty" is scheduled to be put back in service starting April 15... (How appropriate... Tax Day?)

The new Club roster is out and everyone should have a copy. We are now 67 members strong!!

Dick reported on an AMA request to clubs that they donate funds to help defray the cost of representation that is being required to fight FAA and other Federal and local legislation directed at Model Aviation. He suggested that we (Members) look at the proposals in MA magazine, and that we will have further discussion on the subject at the next meeting.

As was sent out via Emails, Dick reminded everyone of the upcoming estate auction of Wheldon Smith. This will be held @ his family's residence on Sat. April, 20th.

New Member:

We had one new member join the club. Jon Fischer was at the meeting with his Dad and joined... Welcome aboard Jon!!!

Show and Tell:

Chuck Smith brought a set of retracts that he is going to use on a large (50 lb.) aircraft that he is building. The aircraft is a model of a C-45 twin, and he is using a set of Zirolli (Nick) plans. He had pictures of variants of the aircraft and passed them around for a consensus of what paint scheme was most desirable. The group overwhelmingly chose the "Marines" version. (Secretary's note: Good choice!!)

On a motion, second, and voice vote, the meeting was adjourned at 8:07 p.m.

A message from President Dick Hultz

Hello all cub members,

This is your unique opportunity to purchase a club jacket and/or club tee shirt at special club pricing. This opportunity only comes around every five years, so grab this opportunity now before the June 6th cutoff, no exceptions, as that is when the order will be placed to make them (and they will be made in just 2 to 3 week). Richard Hultz is organizing this opportunity and the club jackets and cub tee shirts are going to be made by the same vendor we have been using for many years.

In order to place an order we must have at least 4 jackets and 4 tee shirts ordered so this should be easy to accomplish with so many of you interested. The club jackets and club tee shirts are navy blue in color and both have our club emblem in white silk screen nice and big on the back and on the front a smaller club emblem on the right side and your name on the left side. Richard Hultz will bring various sizes of the jackets and tee shirts to the May 2nd club meeting so you can check them out if you want but don't let that slow you down. Order now--most of you have seen these jackets and tee shirts before. Pricing (which includes tax and logos and name silk screened in white) is as follows:

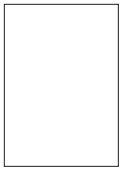

Club jacket in sizes S, M, L, and XL \$51.00
AND XXL is \$53.00

Club Tee Shirt in sizes S, M, L, and XL \$15.00
AND XXL is \$17.00

You will need to pay Richard Hultz before June 6th so pay him in cash at the meeting or send him a check made out to Richard Hultz, but don't delay! You can call Richard Hultz at 847-244-8265 or email him at r.hultz4843@att.net.
