**Many Thanks to Jim and Joan Doubek
for Cooking
Thanks to Jack Bernard
for Drinks & Cake!**

Meeting Minutes August 1st, 2013

The Monthly Meeting of the LCRCC was held in the Zion Public Library. Dick Hultz called the meeting to order at 7:19 p.m. with 16 members present.

Secretary's Report:

The previous month's minutes were accepted as printed in the "*Flypaper*."

Treasurer's Report:

The treasurer's report was presented by Leonard Martin and accepted as written.

Field Officer's Report:

Jack Bernard reported that the field has been repaired w/sod. (Fuel spill areas and burned areas.) Jack also requested that all pilots with gas or glow engines use a collection bottle or bowl for overflow to prevent further dead spots in the grass. You can dump overflow fuel in the parking lot area. Jack also secured the umbrellas to fence poles with steel strapping. Jack also mentioned Doug Nerstrom repaired/welded the LCRCC grill cover! A beautiful Job Doug! Many thanks!!!

Safety Officer's Report:

Chuck Smith said he has neither seen nor had any reports of unsafe conduct.

Events Director's Report:

Bill Rago urged everyone to attend the picnic on August 18, it promised to be another great event. Once again many thanks to Jim and Joan Doubek who always do a great job and to Jack Bernard for providing drinks and ice.

Old Business:

Dick announced Boy Scout Pack 36 will visit the field August 24th to look at aircraft and have pilots explain the basics of RC aircraft. No buddy boxes will be available for the kids to fly.

Dick stressed that after the picnic any remaining shirts will be left in the LCRCC shed at the field, if you want to pick up your shirt any officer can open the shed.

Again Dick emphasized the importance of

catch cans at the field to prevent fuel spills on the grass.

New Business:

Picnic is August 18th, many prizes will be available most of which were donated by John Russell... many thanks John!

As usual all women will be issued a free ticket good for cash prizes of \$25, \$15, and \$10. Please bring extra chairs and a dish to pass.

Show and Tell:

Chuck Smith brought in a section of tail from his Twin Beech that he is building, (Zirolli kit) and showed how he has installed *hidden* hinges with a removable hinge pin. Please contact Chuck Smith with any questions.

On a motion, second, and voice vote, the meeting was adjourned at 8:03 p.m.
