One cold lonely Flying Field!

2014 Membership is Open!

**Be sure to renew before
the March meeting.**

Meeting Minutes December 5th, 2013

The monthly meeting of the LCRCC was held in the Zion Public Library.

Dick Hultz called the meeting to order at 7:15 p.m. with 25 members present.

Secretary's Report:

The previous month's minutes were accepted as printed in the "Flypaper."

Treasurer's Report:

The Treasurer's report was presented by Leonard Martin and was accepted as read.

Field Officer's Report:

Jack Bernard reported that he has secured the tables and chairs around the field but left out a few (start-up) stands for winter flying. He has also taken the Mower deck out for repairs...

Safety Officer's Report:

No report, as there has been no flying.

Events Director:

Bill Rago reported that the "Annual New Year's Day" bash is good to go. Jim Spice will provide power (generators). Chili and coffee will be ready by 10 a.m. Heaters, etc. are being provided by Dick and others.

Old Business:

Dick reminded everyone that Dues are now being accepted by Leonard and the deadline will be the March Meeting. No exceptions. Penalties will be assessed to anyone not renewing by then. Also, Forrest Preserve permits are on sale as of 12/1/2013 for the 2014 season.

Again, Dick reminded all of the Jan 1st FunFly. Coffee & Doughnuts will be ready by 9 a.m. with Chili at 11:30 a.m.

Jim Spice reported that he has put the "Club" generator in the tractor shed.

New Business:

Dick pointed out the table with the R/C donations for Jon Fisher. If anyone wishes to further donate to him, they should contact Dick or Jon himself.

Gary Jensen has R/C equipment for sale. An email flyer was sent out with details.

Dick reported on an email he received from a woman asking if anyone had "lost" a quadcopter. She found one in her yard and was looking for the owner. But, after more correspondence it was learned that the woman actually lived (and found it) in Florida. Everyone agreed that a quad launched from our field "probably" was not going to make it all the way to Florida?!

There was a mysterious incident at the field... Somehow, someone entered the tractor shed and removed the battery from our tractor. But, then (just as mysteriously), they replaced it... No one knows who or how this occurred, but it raises a few security issues with the shed. Dick is going to have the locks re-keyed and only those (officers) that require access will have them. A closer inventory of the keys will be forthcoming.

Elections were held after Dick re-opened (and then closed) the floor to nominations. On a motion to re-elect all the incumbent

officers to their respective positions by Gary Allen, and second, there was a unanimous voice vote for approval. Steve Yeaton voiced an opinion that this (Election process) may be a violation of our bylaws.

All Officers accepted the renewal of their elections.

Your 2014 Officers are:

President, Dick Hultz

Vice President, Chuck Smith

Treasurer, Leonard Martin

Secretary, Jim Spice

Jack Bernard, Bill Rago, and Chuck Smith will continue as Field Officer, Events Coordinator, and Safety Officer respectively.

Dick thanked all the Officers for their past service to the club and commended them on a "Job well done!"

He also thanked all those who helped out with our monthly events, and wished all the members a "Happy Holidays" on behalf of all the BOD.

A reminder that the Waukesha Swap meet will be held on Jan 5th.

Show and Tell

Jim Spice did a continuation of his "Lipo battery clinic."

New Members

There were no new members.

On a motion, second, and voice vote, the meeting was adjourned at 8:29 p.m.
