January 1st, 2014 Hot Chili, Coffee and Doughnuts

**2014 LCRCC Membership
Renewal is open, Re-up early
to **avoid** late fee!**

Meeting Minutes January 2nd, 2014

The Monthly meeting of the LCRCC was held in the Zion Public Library.

Dick Hultz called the meeting to order at 7:16 with 17 members present.

Secretary's Report:

The previous months minutes were accepted as printed in the "Flypaper."

Treasurer's Report:

The Treasurer's report was presented by Leonard and accepted.

Field Officer's Report:

Jack was absent so there was no report. However Dick reported that Keith Bradley (with the help of others) had taken our mower deck to his shop and did extensive repairs (welding) to it. It is all cleaned up and ready for painting.

Safetys Officer's Report:

No Chuck, No report.

Event's Director:

Bill commented on the good turnout and great New Year's Day event.

Old Business:

Dick reiterated about the Club dues being paid by the March meeting date. After that, you will have to be reinstated and pay the initiation fee over.

Dick also commented on the New Year's Day event, and Thanked Bill Rago and Jack for providing coffee and Chili. Other than a small "Glitch" with the generator, it was a fun, well attended, event. He also went on to thank Jim Buchanon for getting the parking lot plowed after the heavy snows.

Dick reported that there are now new locks and keys for the tractor shed at a cost of \$70.00. This from last month's mysterious "Tractor battery" episode.

New Business:

Indoor flying was a great success and will be continued through the winter. Turnout was great and the venue is great for flying. The next session will be Jan 12th. (12:30-3:30 p.m.) Emails will be sent with notifications of future times and dates

Events for next year have not yet been scheduled but will be announced as soon as they are planned. A night fly Helicopter event is still being looked into by Keith Bradley and Mike Taylor; details of this event will be forthcoming. Dick spoke with the Forrest Preserve and

they have given us a preliminary go ahead to plan it.

Show and Tell:

Jim Spice brought a min-quad "Heli-max 1Si" to show the club. It sells for \$139.00 and comes complete RTF with camera, 2 GB micro card, and card reader. He flew it and videoed the club members... a link to the video is here;

https://www.youtube.com/watch?v=h0_0UFmUuhc&feature=youtu.be

A great little quad that flies easy with many features... worth the money!!!

Jon Fischer also brought in a "1Si" but he had built a custom case for it to show us.

Keith Storrs brought in more of his FPV gear he is assembling w/gps tracking station and satellite linking technology.

On a motion, second, and voice vote, the meeting was adjourned at 7:48 p.m.
