## Meeting Minutes January 3rd 2013

The Monthly meeting of the LCRCC was held in the Zion Public Library.

Dick Hultz called the meeting to order at 7:15 with 18 members present.

### Secretarys report:

The previous months minutes were accepted as printed in the "Flypaper."

### Treasurers Report:

The treasurer's report was presented by Leonard Martin, and accepted as read.

### Field officer report:

Jack Bernard thanked everyone who helped with cleanup and sweeping the floor for the January event. Jack fixed the gas leak on the tractor and reported after running it for a period of time no gas or oil leaks were found. The three broken stands discussed in the December meeting are repaired. Batteries will be removed from the tractor and lawnmower for winter storage following the January event.

### Safety Report:

Johnnie Russell reported that there have been no problems. The weather forecast was showing favorable conditions, and they were.

### Events Director:

Bill Rago reported that the "Annual New Year's Day" bash was a huge success! Many thanks to Jack Bernard for Chile and fixings! Thanks to all who supplied heaters and lights making our semi indoor activity comfortable. Coffee (about two gallons) and doughnuts were welcomed on this cold beginning of the New Year. Glen Learnahan had the honor of first in the air for 2013, Russ Scott along with one of our younger members Johnny and a couple others flew a few laps on that fine first day of the New Year. Big thanks to John Russell for

the propane heater he donated to the club, it's mounted to the North wall of the shed!

### Old Business:

Dick Hultz stressed the importance of renewing club membership by the March meeting deadline to avoid the *mandatory* new member initiation fee that will be enforced if you miss the deadline... No exceptions!

### New Business:

Club officers will decide shortly when this year's events will take place. Keep in mind it's never too early for volunteering to cook for an event; it's not hard and offers great reward. Dick also mentioned the Weak Signals Toledo Show is April 5th, 6th, & 7th, 2013. April and July events will take place later in the month due to the Toledo show and July 4<sup>th</sup> holiday. Jack Bernard suggested having some sort of contest during one of the funfly events, all suggestions are welcome. Dick also mentioned several people would like a way of recruiting new members, if you have any ideas please present them to the board during our monthly club meeting.

Steve Yeaton suggested the club donate \$100.00 to the AMA scholarship fund, on a motion and voice note the donation was approved.

### Show and Tell:

There was no show & tell.

### New Members:

There were no new members.

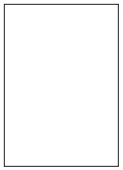

On a motion, second, and voice vote, the meeting was adjourned at 7:35pm.
