Thanks Jack Bernard for Drinks!**

## Meeting Minutes July 3rd 2014

The Monthly meeting of the LCRCC was held in the Zion Public Library.

Dick Hultz called the meeting to order at 7:15 with 15 members present.

### Secretary report:

The previous months minutes were accepted as printed in the "Flypaper"

### Treasurers Report:

The treasurer's report was presented as printed. By Dick, in Leonard's absence.

### Field officer report:

Jack Bernard, reported that the field is in great shape. All, but a few minor issues with equipment, have been repaired.

Jack also wanted to request more help with the mowing duties. If you want to help out, contact him to get put on the schedule.

### Safety Report:

Chuck Smith reported that there was one issue with someone flying a helicopter in the east/west runway area not observing the "Hover only" rule. They were made aware of it and the situation was resolved.

### Events Director:

Bill Rago Talked about how well the last event went, He went on to thank Jack Bernard for cooking. This month event (July 13th) is Cub Day with "Zaig" doing the Chef duties.

### Old Business:

Dick pointed out that we HAVE to have permission in order to leave the main entrance gate open. There are quite a few people opening the gate and not reclosing after they drive through. There was some discussion about handicapped access through the gate and what to do about it. But, the general consensus was, that (Because) it was a "private use" area, the Forrest Preserve was going to enforce their closed gate policy. Regardless of handicapped people.

He also commented that there was an issue with the lock not working properly. He fixed that.

### New Business:

Dick started out by thanking Jim Spice for his service to the club and as an officer (Secretary) for many years. Jim is moving to Arizona and this will be his last meeting with the club.

He informed everyone that Bill Rago will be stepping in as Secretary, and Ed Okrzesik will be assuming the events director role.

Dick reminded all that the Club picnic will be on Aug 17th w/ Dick & Joan Doubek doing the cooking (As is tradition). There will (as has been the activity in past years) a women's raffle. All women attending the picnic will receive a ticket for a cash drawing.

Jay Imroth volunteered to go to "Greenfield Hobbies" and purchase the raffle prizes.

Dick reported that he received a call from Kara Martin (Lake County Forrest Preserve) wanting permission to print some of our Club pictures in the new Web site they are putting together. Steve Yeaton volunteered to get her high rez pics to do that.

Also, Dick reported that he got a call from a Waukegan News Sun reporter wanting a comment from the club pertaining to the story about a quadcopter being flown over a crowd recently. Dick referred him the AMA website for any "Official" views/comments.

Jay Imroth presented a motion that was seconded and passed by voice vote to pay Jim spice \$100 for the generator he has had on loan to the club.

### Show and Tell:

Jim Spice brought in an old 1/2a kit and magazines/tapes for anyone to take.

### There were two new members.

On a motion, second, and voice vote, the meeting was adjourned at 8:03PM.
