## Blue Skies & High Winds For Our June Event

**Many Thanks to Jack Bernard, Host  
June 8th - Warbird & Electric Day**

**Next Event: July 13th - Cub & Bipe Day  
Host: Zaig Tahir**

## Meeting Minutes - June 5th, 2014

The Monthly Meeting of the LCRCC was held in the Zion Public Library.

Dick Hultz called the meeting to order at 7:15 p.m. with 13 members present and no guests.

### Secretary's Report:

The previous month's minutes were accepted as printed in the "Flypaper."

### Treasurer's Report:

The Treasurer's Report was read by Leonard and accepted as read.

### Field Officer's Report:

Jack reported that he rearranged the patio blocks at the flight stations to ground level, many had shifted due to freezing during the winter. Jack thanked Keith Bradley for welding the mower deck where stress cracks formed. Jack also installed a new drive shaft and idler pulley along with all new blades. Jack also requested at least two volunteers for hand mowing around the pit area. Many thanks to Jack and his crew for all the hard work keeping the field top notch!

### Safety Officer's Report:

Chuck reported there are complaints about Quadcopter pilots flying over the buffer zone very close to the pit area. Dick stressed all aircraft are to be flown over the main flying field. No further safety issues were reported.

### Events Director's Report:

Bill thanked Sam Brown and Jack Bernard for food and drinks at our May event where the weather behaved for the core part of the day, offering mild temperatures coupled with great food and fun. He also thanked Jack for stepping up for our June 8<sup>th</sup> event, substituting for Jay Imroth. Once again a big thanks to Jack for taking on this dual role!

### Old Business:

Dick once again thanked Sam and Jack for the May event.

Gary Allen will be reimbursed for the railing he and Jay installed in Bill Gilberts widow's house making the trip to the basement safe.

### New Business:

Gary Allen motioned that the club spend \$750.00 on prizes for our August Picnic; a motion and unanimous vote carried Gary's suggestion. Leonard has some donations from a neighbor who quit the hobby, and along with RC supplies Gary has from Bill Gilbert's widow that will be added to the picnic prizes... This will be an event you won't want to miss!!!

Steve Yeaton converted many of the club's old VHS tapes to DVD and has tapes for giveaway – Contact Steve if interested, Gary also has some old tapes.

### New Members:

No new members

### Show and Tell:

Steve Yeaton brought in a really cool Pegasus OS 4-cylinder engine (50cc) class complete with electric start. This monster is destined to go into a Byron Husky.

Sam Brown had several A-123 industrial batteries and an old radio for giveaway.

On a motion, second, and voice vote, the meeting was adjourned at 8:00 p.m.

### **Bill Rago for Jim Spice, Recording Secretary**
