Meeting Minutes - March 6th, 2014

The monthly meeting of the LCRCC was held in the Zion Public Library.

Dick Hultz called the meeting to order at 7:16 p.m. with 23 members present.

Secretary's Report:

The previous month's minutes were not taken.

Treasurer's Report:

The Treasurer's report was presented by Leonard Martin, and accepted as read.

Field Officer's Report:

Jack reported that not much is going on at the field. Snow was still piled up and the entrance road has not been plowed. He is getting together with Dick to order tractor parts.

Safety Report:

There was no report.

Events Director's Report:

Bill Rago talked about getting together with the Board of Directors. A date of March 18th was set for the board to meet at the Avalon restaurant in Gurnee to set this year's event dates and themes....

Old Business:

The Toledo "Weak Signals" show is coming up on April 4-5-6.

Dick stated for the last time that tonight's meeting was the last opportunity for members to renew their dues without an assessment of \$20.

New Business:

The field "Porta Potty" will resume being cleaned after April 15th.

Dick added to Bill Rago's discussion about the Monthly Fun Fly events, and he mentioned the season opener will be announced at the next meeting.

Dick also mentioned that we should be looking for sales on more (back-up) umbrellas for the field.

Our donation to the library was brought up and Leonard looked it up. It was made last May for \$125.00. It was decided to have Gary Allen take care of this as before.

Dick also commented on the aforementioned tractor parts to be ordered.

Show and Tell:

Kieth Storrs brought in a custom Quad copter he has been building from parts. He gave a description of how the electronics work.

On a motion, second, and voice vote, the meeting was adjourned at 7:45 p.m.
