Please bring a plane to show on Scout day – August 22, 2015

NEWS

August Picnic

Never let a little, well actually, a lot of wind keep the club members, family and friends from having a good time. While most aircraft were grounded, at least a couple of hardy souls, Zaig Tahir and Steve Yeaton, flew despite winds gusting to over 30 mph. Thanks to Joan and Jim Doubek for doing a great job cooking. Even if people couldn't fly, it left for time for eating. As always, a lot of great prizes were won in the raffle.

Cub Scout Pack 1344 Rocketry Day

On July 25, 2015, the club received a request to use the field for the Webelos Cub Scouts from Pack 1344 who were working on their rocketry badges. Over a dozen scouts, family, friends and cub leaders came to help the scouts build and launch their rockets. After the rockets were built, they were all launched upwind of the club flying sites. As each rose into the air, the rocket went up to apogee where a charge blew a parachute out of the top of the rocket and they floated down with the build chasing them wildly trying to catch them before they touched down. It was a joy to watch. As an added attraction, Dick Hultz and Bill Lewis put on an aerobatic demonstration for the kids, who were literally screaming with enthusiasm for the aerobatic maneuvers. Here are the future LCRCC members with their rockets.

Scout Day

On August 22, 2015, a Boy Scout Troop is coming to the field to see club members fly their planes. If you have time to come with a plane to fly or simply to show, please do so and expose these scouts to radio control flying. Jack Bernard offered to let the kids fly his plane on a trainer cord if piloted by an LCRCC qualified instructor. We need to create the next generation of RC flyers and potential LCRCC members.

August, 2015 LCRCC meeting minutes

The monthly meeting of the LCRCC was held in the North Shore Bank, 5117 Green Bay Road, Kenosha, WI 53142. Dick Hultz called the meeting to order at 7:16pm with 14 members present.

Secretary's Report:

The previous month's minutes were accepted as written in the "FlyPaper"

Treasurer's Report:

Chuck Smith was not present; Dick Hultz presented this month's treasurers report and was accepted as read.

Field officer's Report:

Jack reported the field is in good shape, needs less cutting due to lack of rain.

Safety Report:

Jay Imroth was attend a helicopter fly in and was not present - no safety report.

Events Director:

Eddie thanked Jim and Joan Doubek for the fine cooking and plentiful food at the LCRCC picnic. Dick thanked Eddie for providing water and soda for the picnic, a windy day but the fine food kept the crowd happy.

Old Business:

Dick Hultz hosted a scouting event at the field where scouts shot off model rockets and watched with amazement some of the flying at the field.

New Business:

Dick contacted Forest Preserve personnel inquiring about the possible purchase of a used lawnmower. He was told all old equipment is auctioned off therefore no chance of picking up a used mower from the Forest Preserve.

Steve Yeaton is handling several radio control ARF's, engines, and other stuff from former member Dean's estate, contact Steve for more information – lots of cool stuff for sale at great prices!

LCRCC needs static displays for August 22 boy scouts visit to our field, please consider bringing a model or two to show our future members! Jack Bernard offered to let the kids fly his plane on a trainer cord if piloted by an LCRCC qualified instructor.

Leonard Martin mentioned the AMA is increasing dues from \$58.00 to \$75.00/year September 15th. You can still lock in for two years at the present rate of \$58.00/year after that date the price will go up, and yes you can pay for a two year membership before September 15th.

Once again I would like to thank Jack Cutrone for assuming the editors position!

New Member: No new members

Show & Tell: No show & tell

On a motion, second and voice vote the meeting was adjourned at 7:32pm.

Bill Rago Recording Secretary

2015 Upcoming Events Schedule

- NEXT MEETING – September 3, 2015, 7:15 pm, North Shore Bank, 5117 Green Bay Rd., Kenosha
- September 13th - Jet - EDF hosts: Jay Imroth & Bill Rago
- October 4th - Helicopter - Quad Day host: Bill Rago
