Meeting Minutes July 2nd 2015

The monthly meeting of the LCRCC was held in the North Shore Bank 5117 Breen Bay Road, Kenosha, WI 53142

Jay Imroth called the meeting to order substituting for Dick Hultz at 7:16pm with 13 members present.

Secretary Report:

The previous month's minutes were accepted as written in the "FlyPaper"

Treasures Report:

The treasurer's report was presented by Chuck Smith and accepted as read.

Field officers Report:

Jack reported the field is in great shape! The lawnmower needs more repair, but is working if kept on the ground to avoid "hopping due to an unbalance condition".

Safety Report:

Jay Imroth reported no problems seen or reported. The multicopter area is working well; all rules are being adhered to.

Events Director:

Eddie thanked Jack Cutrone for his fine cooking, a nice time despite a very low turnout.

Old Business:

Jack needs two volunteers to help mow the field on a substitute schedule when others can't help out.

New Business:

Steve did quite a bit of research into the possibility of replacing the tired lawn mower attachment for the tractor coming up with several possibilities. Much discussion took place as what to do; if the existing mower is evaluated and repaired the cost could exceed the price of a replacement depending on manufacturer. More to come on this much needed repair/replacement.

Steve Yeaton is handling several radio control ARF's, engines, and other stuff from former member Dean's estate, contact Steve for more information – lots of cool stuff for sale at great prices!

LCRCC needs static displays for August 22 boy scouts visit to our field, please consider bringing a model or two to show our future members!

Jay Imroth will cook for the July 12th Cub day event, thank you Jay!

Jack Cutorne has graciously accepted the position of LCRCC FlyPaper editor many thanks Jack for taking over this rewarding six figure task!
