AMA CHARTER CLUB #777

Editor : Bill Rago: 847-489-8871

January 1st Chili from Jack Bernard!

Coffee & Doughnuts by Eddie Okrzesik and Dick Hultz

Dick Hultz stressed the importance of renewing club membership by the March meeting deadline to avoid the mandatory new member initiation fee that will be enforced if you miss the deadline... No exceptions!

Meeting Minutes February 5th 2015

The monthly meeting of the LCRCC was held at the North Shore Bank 5117 Green Bay Road, Kenosha, WI 53142. Dick Hultz called the meeting to order at 7:18pm with 13 members present.

Secretary Report:

The previous month's minutes were accepted as written in the "FlyPaper"

Treasurers Report:

The treasurer's report was presented by Chuck Smith, and accepted as read.

Leonard Martin officially passed the baton to Chuck, thank you Leonard for all the hard work over the years!

Field officers Report:

Jack reported the tractor batteries are in dry storage and he will soon start preparing the tractors for this year's flying season.

Safety Report:

Jay Imroth reported due to the weather there has not been much flying.

Events Director:

Eddie was absent due to illness. Jay Imroth stated the season opener will be Sunday April 19th with coffee & doughnuts provided by Ed & Dick. Ed also stressed the importance of volunteering for cooking at our events – no cooks... No Food!

Bill Rago will purchase and deliver all supplies needed for events day so all you would have to do is cook, just let Bill know if you want him to take care of this for the event you cook for.

Old Business:

Gary Allen explained the situation at the Zion Public Library; somehow all our meetings have been canceled. Debbie who had been prompt in the past took several days responding to Gary's inquires as to whether or not we could continue meeting there. After much discussion and a vote it has been decided we will continue to meet at North Shore Bank Kenosha through January 2016.

More old business: **2015 DUES NEED TO BE PAID ON OR BEFORE THE MARCH LCRCC MEETING!**

New Business:

Ed Dodich is home under Hospice care requesting no visitors.

Chuck Brzezicki request we have static displays every Friday during June for the Scouts, this will be discussed further.

Jay motioned the East/West field be quadcopters and helicopters only from the first flight station to the flying field. There would be no 3-D allowed, only slow flight to and from the north side of the field yielding to landing aircraft.

With Greenfield Hobby going out of business Jay Imroth motioned that \$750.00 be spent on prizes for our August picnic raffle, all members present seconded that motion.

Jay Imroth has been working hard on the LCRCC webpage, we now have a for sale spot on our website – contact Jay for further information.

We also have a Facebook page allowing communication between members.

If you haven't applied for your 2015 Forest Preserve permit the price has increased to \$40.00 for Illinois residents and \$80.00 for nonresidents.

New Member:

Wally Szempruch one of our former members has rejoined the club. Welcome back Wally!

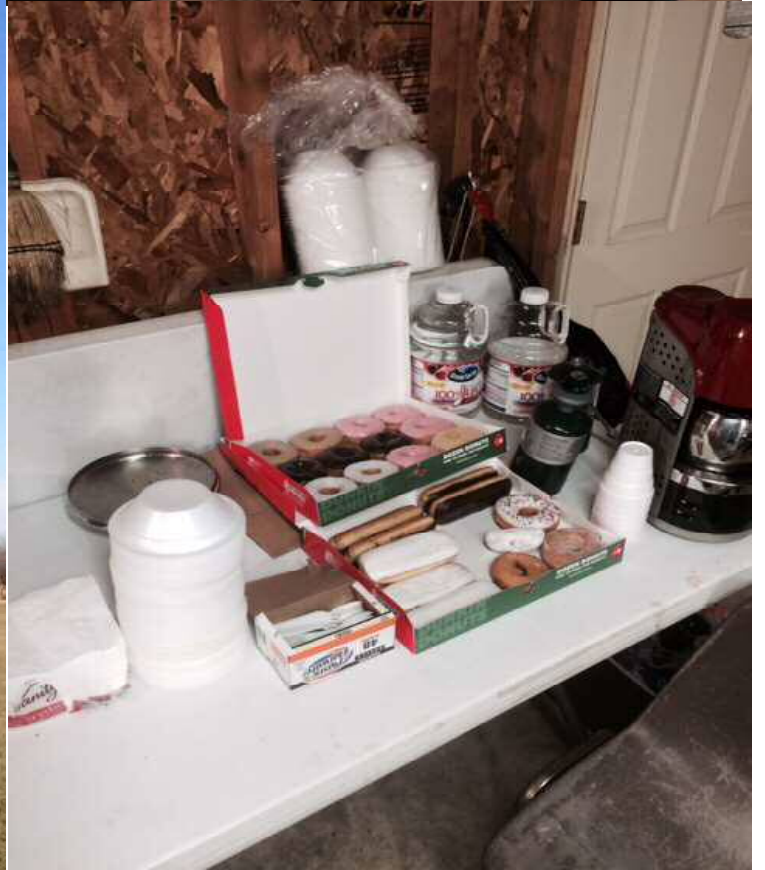

Show & Tell:

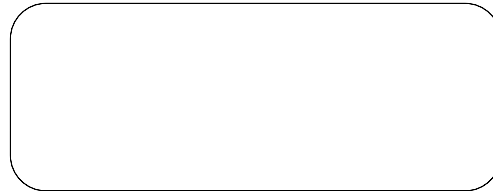

Keith Storrs brought his hand built 3-D printer to show, he also had several printed pieces of his own design including a small tri-copter... very impressive!

On a motion, second and voice note the meeting was adjourned at 8:40pm.
